Principal's news:

Welcome back to Term 4! Where has the year gone? It is so hard to believe that we are now at the end of Week 2 of Term 4. We have a very busy term ahead!

Our whole school camp last week was a wonderful way to start the term. The behaviour of our students was outstanding and the camp itself was lots of fun! A big thank you to our school staff for their willingness to give up their free time and attend this camp. Thank you also to Sonja and Tanith for helping us on camp also. I wish to thank our hardworking P&C committee and our extended community for their ongoing support. It is because of this support that we can offer our students many different opportunities, like camp and swimming, at a reduced cost to families.

This week, we surprised our students with a visit from the Secret Ninja School. Students enjoyed learning some new 'ninja powers' which were a hybrid blend of gymnastics, martial arts, yoga and dance. Our visitors said that it was a joy to train and learn with our students and complemented our school's beautiful and welcoming community.

As a school, we are always looking for ways that we can improve. Joining our school P&C and/or making a time to speak with Miss Budgen or your child's teacher is a great way to make sure your voice is heard. Over the next few weeks, we will start planning for 2024. Please do not hesitate to offer your ideas and suggestions, so that we can continue to make our school a great place.

*Kind regards,
Miss Zarah-Rae Budgen*

A NOTE FROM YOUR SCHOOL PHOTOGRAPHER

School photos are almost upon us again! The school has engaged MSP Photography to create our school records this year and you are invited to purchase prints of your child.

On photo day, **every student will be photographed** regardless of whether you are purchasing or not.

Your child will bring home a ~~personalised~~ order envelope from the photographers. Please take care to read and follow all the instructions carefully. This will ensure your order is processed smoothly and efficiently and will help you to avoid any late fees.

You will have the option to order online or with cash in your student's envelope. Please take care to follow the instructions carefully.

Additional order envelopes are available from the school office for **separated parents, blended families and grandparents**. You will need to collect these

on or before photo day and give it to the photographer on photo day. Be sure to write "Mum's order" or "Dad's order" on top of your envelope.

To order a sibling or friends photo, please collect Sibling and Friends Order Envelope from the school office on or before photo day, or order it online **at least 24 hours in advance**. Please note: Sibling photos are only for siblings who all attend the school.

If your child has been photographed in a **special group** (ie sports team or leadership team), order envelopes will be available in the weeks following photo day. Please watch this newsletter for information when they will be available.

As school staff are unable to help with photography enquiries or payments, please direct your questions and comments directly to MSP Photography by phoning

4921 3355

Thank you for your co-operation and we look forward to a great photo day.

Keep smiling!!!
